

That's Me

- Michael Dale
- Kaltura, Wikimedia Developer.
- Video sequencer, HTML5 player, Wikimedia video player.
- Hack on things, learn more about other projects

mwEmbed: Activity

- Project aim:
 - Bring collaborative open video to wikipedia
 - Deliver a robust platform usable in stand alone contexts.
- Features:
 - SMIL based sequence editor
 - HTML5 player

mwEmbed: Challenges

- Not enough time / sleep at night
- WebM support in mediaWiki needs to be written
- Transcoding infrastructure for mediaWiki has to be developed and integrated.
- HTML5 platform on mobile is a mess.

mwEmbed: Next Steps

- Address all the challenges
- Make mwEmbed even ~more~ modular.
- Integrate universal subtitles into wikimedia
- Make the stand alone smil sequencer work better / easier to integrate into other projects.
